Guest Enrichment Options

We at FDF Canine Services strive to provide the most complete, fun, and nurturing care to all of our guests. In an effort to do so, we keep many products on hand to help enhance their stay. Some of these items may not be specifically labeled for use in dogs. Your approval below does not mean that your dog WILL get each item; it just means that if we think it is necessary for your dog's overall happiness or well being, we are allowed to provide it. Please read each option and initial your respective choices.

- Homemade Chicken:** This is plain, no salt or seasoning added, boneless skinless chicken breasts. Chicken is shredded and used as a foraging treat or over food as an appetite enhancer.
Approve: _____ Decline: _____
- Canned Food:** We purchase over the counter dog food. Typically, the "in' gravy" style as most dogs will at least lick the gravy to start encouraging eating.
Approve: _____ Decline: _____
- Probiotics:** These are used to help firm up any soft stool that may be encountered due to the stresses of boarding. We use them once a day as directed on each package's instructions.
Approve: _____ Decline: _____
- Peanut Butter:** Xylitol free, gooey dog happiness. We use this to hide medications in, fill forager toys, or for general treats and offerings.
Approve: _____ Decline: _____
- Holiday Cookies:** We purchase locally made, dog friendly, all-natural ingredient cookies. Typically used during holiday parties and festivities.
Approve: _____ Decline: _____
- Hemp/CBD Oil:** We use this product to help reduce anxiety or stresses. The products we carry contain no THC and are deemed safe for dogs. We carry a few varieties of the products including (but not limited to) oils, treats and drops.
Approve: _____ Decline: _____
- Composure / L-Theanine/ Calming Treats:** Dog specific products to help reduce anxiety or inappropriate behaviors. It may be used in conjunction with Hemp/CBD.
